Mr. Hybernia Grace,
Anson, Texas.

My dear Sir:

In reply to your letter of June 6, you are advised that the post office at Phantom Hill, Texas, was established on July 1, 1879, with Thomas F. Scott as postmaster, it being the first post office established in Jones County. A post office was established at Anson in Jones County, Texas, on April 4, 1861, with William Mcd. Bowyer as postmaster. There is no record of there ever having been in Texas an office by the name of Jones City.

Respectfully yours,

John H. Bartlett
JOHN H. BARTLETT,
First Assistant Postmaster General.
